

The background of the poster is a vibrant, abstract composition. It features a profile of a human head and neck, rendered in a style that resembles a colorful, textured brushstroke or a digital collage. The colors used include shades of blue, green, yellow, orange, red, and purple. The head is positioned in the upper right, and the neck extends downwards. The overall effect is one of dynamic energy and artistic expression.

3rd UTRECHT
MULTIDISCIPLINARY MEETING ON

PAIN in the **HEAD**
and **NECK AREA**

December 7, 2018
Utrecht - The Netherlands
