REACHING NEW HEIGHTS  
FOR NON-MELANOMA SKIN CANCER  
- COLLECTIVELY

## INTRODUCTION

On behalf of the steering committee, we are pleased to invite you to the first edition of the NMSC Summit, a Non-Melanoma Multidisciplinary Skin Cancer Conference, supported by Sanofi and Sun Pharma. This high-level educational initiative dedicated to dermatologists, surgeons, radiotherapists and oncologists, provides a forum for experience-based learning on several aspects of non-melanoma skin cancers.

Under the leadership of our renowned experts and with your active participation, we look forward to a scientifically stimulating meeting.
